Parents/Guardians  
St. Catherine Catholic Elementary School  
Annunciation Catholic Elementary School

Dear Parent/Guardian:

As you may be aware, the Ministry Supervisor (The Board) at the meeting of December 16, 2009 approved the following: *"St. Catherine to be closed effective June 30, 2011 and consolidated in an expanded building at Annunciation, subject to additional proceeds of disposition being made available for a six-classroom addition at Annunciation."*

The Board has been informed that the planned construction project will take longer than originally announced in the Board report, and that the proposed timelines for the implementation of the approved recommendation therefore will be revised accordingly. A report regarding the revised timeline for construction is going before the Board on August 26, 2010. You are most welcome to attend that meeting and hear discussions around the issue at that time.

We will be communicating with you again after that meeting in order to provide you with more specific information. Your patience and understanding are greatly appreciated.

Sincerely,
