Dear Parent/Guardian:

This is to provide you with an update about the future of St. Joseph's Morrow Park Catholic Secondary School. We thank you for your patience and understanding through this long process.

As we previously reported to you, the Sisters of St. Joseph of Toronto have extended the Toronto Catholic District School Board's lease of the property on Bayview Avenue to 2009-2010.

We also informed you that the Sisters of St. Joseph of Toronto transferred the property to Tyndale University College & Seminary. TCDSB is exploring all possibilities past the expiry of the current lease, including talks with the current owners of the property. At the same time, the Board continues to explore funding options with the Ministry of Education.

The Board remains committed to the value of single gender schools and recognizes the proud history and tradition of St. Joseph's Morrow Park Catholic Secondary School. More importantly, to you and your family, we are committed to retaining St. Joseph's Morrow Park as a unique school entity within the Toronto Catholic District School Board.

We will make every effort to provide you with more regular updates as discussions continue and as we are able to share any new developments with you.

Sincerely,
