in another language (or other languages) as often as English.	40%	11%	23%	21%	11%	11%
mostly or only in another language (or other languages).	27%	16%	22%	18%	13%	12%
no response/ambiguous response	0%	0%	<1%	1%	1%	1%

1. Numbers and percentages are based on the total number of students who completed a questionnaire and for whom gender data were available.

2. Percentages may not add up to 100, due to rounding.

Note: N/R "Not reported" indicates that the number of students responding to the questionnaire is so small (fewer than six in a group) that identification of individual results might be possible; therefore, results are not reported.

N/D "No data available" is used to indicate that there were no students for the group specified.
