As communicated in December, it is the Province's intention to have the full-day Early Learning Program in all publicly-funded elementary schools across Ontario by September 2015. The list of schools above has been selected for the first phase of implementation.

Much work lies ahead in planning and preparing for the implementation of this exciting new learning initiative in the phase 1 sites, and indeed in planning for the extension of the Early Learning Program to our other elementary schools in the future. We will endeavour to keep you

informed throughout the planning process. The Board continues to provide a wide range of programs and services for young children, including: our already vibrant half-day Catholic Kindergarten program, after-school programs, Parenting and Family Literacy Centres, Early Years Centres and Best Start Centres.

The Board's website continues to be a good resource for families who would like more information about the Early Learning Program, as well as any other programs and services offered by our Board. Please visit [www.tcdsb.org](http://www.tcdsb.org) regularly to see the latest news and information.

Sincerely,

A handwritten signature in black ink, appearing to read "Ann Perron". The signature is fluid and cursive, with a large initial "A" and a long, sweeping underline.
