

Dear Future *Early Learning Program* Parents,

**RE: Application for Extended Day Fee Subsidies**

Starting in September 2010, your school will offer a full day Early Learning Program for four and five year olds. An extended day program before and/or after school may also be available based upon a minimum of 15 children. The extended day program will have a fee. Where parents cannot afford a fee, a subsidy may be available to assist parents with the cost of the program.

In preparation for the extended day, we are encouraging parents, who think they may need a fee subsidy, to contact Children's Services to put their name on a list for subsidies. Since fee subsidies are provided on a first come, first serve basis, it is important that parents apply as soon as possible. **Parents do not have to have their ELP space confirmed to apply for subsidy.**

**To see if you qualify for a fee subsidy please go to the webpage listed below:**
