Josyf Cardinal Slipyj Catholic School Community

Dear Parents and Staff:

I am pleased to provide an update on the proposed Josyf Cardinal Slipyj Catholic School addition.

On January 29, 2010 Toronto Catholic District School Board received approval from the Ministry of Education for a capital budget of \$2,863,894 for the Josyf Cardinal Slipyj addition of three classrooms, one Special Education, and two kindergarten rooms representing 118 incremental pupil places. Pending receipt of the building permit, the Board can now issue construction tenders for this project.

The Board is responsible for any costs in excess of the approved capital budget. If tenders for the project are higher than the approved budget, the Board is required to seek further approval from the Ministry of Education and the Board must identify additional sources of revenue to offset any higher costs.

The timeline for this project is:

- Awaiting final municipal approvals including building permit,
- Anticipate construction to start the summer of 2010,
- Construction to take approximately 12 months.

I wish to thank the Josyf Cardinal Slipyj Catholic School Community for their continuing support for Catholic Education.

If you have any questions regarding the addition, please contact Mr. Rory McGuckin, Superintendent of Education, 416-222-8282 ext. 2732, or Mr. Richard Francki, Superintendent of Facilities, 416-222-8282 ext. 2384.

Sincerely,
