Nativity of Our Lord Catholic School Community

Dear Parents and Staff:

I am pleased to provide an update on the proposed Nativity of Our Lord Catholic School addition.

On January 29, 2010 Toronto Catholic District School Board received approval from the Ministry of Education for a capital budget of \$2,716,668 for the Nativity of Our Lord addition of two classrooms, one Special Education room and two kindergartens representing 95 incremental pupil places. Pending receipt of the building permit, the Board can now issue construction tenders for this project.

The Board is responsible for any costs in excess of the approved capital budget. If tenders for the project are higher than the approved budget, the Board is required to seek further approval from the Ministry of Education and the Board must identify additional sources of revenue to offset any higher costs.

The timeline for this project is:

- Awaiting final municipal approval including building permit,
- Anticipate construction to start in the late summer or fall of 2010,
- Construction to take approximately 12 months.

I wish to thank the Nativity of Our Lord Catholic School Community for their continuing support for Catholic Education.

If you have any questions regarding the addition, please contact Ms. Colleen Tovey-Shackleton, Superintendent of Education, 416-222-8282 ext. 2732, or Mr. Richard Francki, Superintendent of Facilities, 416-222-8282 ext. 2384.

Sincerely,
