St. Norbert Catholic School Community

Dear Parents and Staff:

I am pleased to provide an update on the proposed St. Norbert Catholic School addition.

On January 29, 2010 Toronto Catholic District School Board received approval from the Ministry of Education for a capital budget of \$2,163,260 for the St. Norbert addition of three classrooms and one kindergarten representing 89 pupil places. Pending receipt of approval from the Committee of Adjustment and building permit, the Board can now issue construction tenders for this project.

The Board is responsible for any costs in excess of the approved capital budget. If tenders for the project are higher than the approved budget, the Board is required to seek further approval from the Ministry of Education and the Board must identify additional sources of revenue to offset any higher costs.

The timeline for this project is:

- Awaiting final municipal approvals including Committee of Adjustment and building permit,
- Anticipate construction start in late summer/early fall 2010,
- Construction to take approximately 12 months.

I wish to thank the St. Norbert Catholic School Community for their continuing support for Catholic Education.

If you have any questions regarding the addition, please contact Ms. Colleen French, Interim Superintendent of Education, 416-222-8282 ext. 2267, or Mr. Richard Francki, Superintendent of Facilities, 416-222-8282 ext. 2384.

Sincerely,
