St. Agatha Catholic School Community

Dear Parents and Staff:

I am pleased to provide an update on the proposed St. Agatha Catholic School addition.

On March 26, 2010 Toronto Catholic District School Board received approval from the Ministry of Education for the St. Agatha addition of eight classrooms, two seminar rooms, and two kindergarten rooms. Pending receipt of all Municipal approvals, the Board can now issue construction tenders for this project.

The Board is responsible for any costs in excess of the approved capital budget. If tenders for the project are higher than the approved budget, the Board is required to seek further approval from the Ministry of Education and the Board must identify additional sources of revenue to offset any higher costs.

The Board is awaiting formal Municipal approvals including site plan approval and building permit. We anticipate that construction could start in late summer/early fall 2010. Construction is expected to take approximately 12 months.

I wish to thank the St. Agatha Catholic School Community for their continuing support for Catholic Education.

If you have any questions regarding the addition, please contact Mr. Geoffrey Grant, Superintendent of Education, 416-222-8282 ext. 2730, or Mr. Richard Francki, Superintendent of Facilities, 416-222-8282 ext. 2384.

Sincerely,
