

Office of the Director of Education

May 20, 2010

St. Bonaventure Catholic Elementary School Community

Dear Parents and Staff:

I am pleased to provide an update on the proposed St. Bonaventure Catholic School addition.

On March 26, 2010 Toronto Catholic District School Board received approval from the Ministry of Education for the St. Bonaventure addition of six classrooms, four kindergarten rooms, the renovation of four existing classrooms, and a new general office near the new front entrance. Pending formal Municipal approvals, the Board can issue construction tenders for this project.

The Board is responsible for any costs in excess of the approved capital budget. If tenders for the project are higher than the approved budget, the Board is required to seek further approval from the Ministry of Education and the Board must identify additional sources of revenue to offset any higher costs.

The Board is awaiting formal Municipal approvals including site plan approval and building permit. We anticipate that construction could start late in the fall of 2010, or potentially early 2011 dependant on municipal approvals. Construction is expected to take approximately 12 months.

I wish to thank the St. Bonaventure Catholic School Community for their continuing support for Catholic Education.

If you have any questions regarding the addition, please contact Ms. Colleen French, Superintendent of Education, 416-222-8282 ext. 2267, or Mr. Richard Francki, Superintendent of Facilities, 416-222-8282 ext. 2384.

Sincerely,
