May 20, 2010

St. Henry Catholic School Community

Dear Parents and Staff:

I am pleased to provide an update on the proposed St. Henry Catholic School addition.

On March 26, 2010 Toronto Catholic District School Board received approval from the Ministry of Education for the St. Henry addition of six classrooms. Pending formal Municipal approvals, the Board can issue construction tenders for this project.

The Board is responsible for any costs in excess of the approved capital budget. If tenders for the project are higher than the approved budget, the Board is required to seek further approval from the Ministry of Education and the Board must identify additional sources of revenue to offset any higher costs.

The Board is awaiting formal Municipal approval including site plan approval and building permit. We anticipate construction to start in the summer of 2010. Construction is expected to take approximately 12 months.

I wish to thank the St. Henry Catholic School Community for their continuing support for Catholic Education.

If you have any questions regarding the addition, please contact Mr. Anthony Petitti, Superintendent of Education, 416-222-8282 ext. 2730, or Mr. Richard Francki, Superintendent of Facilities, 416-222-8282 ext. 2384.

Sincerely,
