School Community of:
St. Joseph Morrow Park Secondary School
Blessed Trinity Catholic Elementary School

Dear Parent/Guardian:

We are pleased to announce that at the June 16th meeting of the Ministry Supervisor (The Board), approval was given to proceed with the design and construction of a JK-12 school facility for the students of Blessed Trinity and St. Joseph Morrow Park at 3205 Bayview Ave, on the current site of Blessed Trinity School.

The proposed joint facility would include an 800 pupil-place all-girls secondary school to accommodate the St. Joseph Morrow Park school population, and a 285 pupil place co-ed elementary replacement for Blessed Trinity.

We are very appreciative of the collective efforts of both the St. Joseph Morrow Park and Blessed Trinity communities. It is through this spirit of collaboration that we have been able to arrive at an exciting and innovative solution which will meet the needs of students in both schools.

We thank everyone involved with the lengthy process of exploring options for the accommodation of students from St. Joseph Morrow Park.

Sincerely,
