

HOLY CROSS IS GOING GREEN!

As part of Holy Cross' greening initiatives, we are reducing the amount of paper we use. If you would like to join in our initiative and receive your newsletter, school memos or CSAC newsletters and/or correspondence electronically, please print the form and return it to the school. Paper copies will only be available to those families who request them.

Thank you for helping us save the Earth. . . one small step at a time
