

# ECO PROJECT

Congratulations to our Eco team members!  
Their dedication, amazing efforts and accomplishments awarded our school  
the **Silver Certification!**

Our eco team has been an amazing influence and is helping both students and adults to improve their ways of reducing garbage and saving our environment. On Wednesday, May 27, 2009 our eco team attended the ECO - Celebration at Downsview Park. We participated in a Liturgy, presentations, activities, and received the Silver Award!

Our caretaker, Mr. Holland, received an honourable mention as helping spearhead our team with his expertise in thinking of new solutions in the eco program. He puts the challenge out to other caretakers to follow suit.

We would like to send out a special thanks to our parents! They have been working hard to pack litterless lunches and snacks for our students. Without their help we would not have succeeded!

*Way to go, Blessed Margherita's Eco team!!!*
