

On Thursday June 18 of this year the Grade 4 class from the Annunciation of Our Lord School, Scarborough, and that from Holy Family School in Parkdale met in the vicinity of Humber Bay Park East to perform two mediaeval mystery plays. The later did "Pharaoh" and the former did "Noah's Ark." In addition to using adapted scripts from the Middle Ages the students performed outdoors on a wagon as these plays were traditionally done in that period.

Pharaoh confers with his officers about how to make life even more miserable for the Hebrew slaves who are chained together in a line on the wagon's right as they wait to make their entrance.

Moses returns to console the Hebrew solves after one of several visits to Pharaoh to seek their release.
