

Michael Power/St. Joseph Student Donates Hair

Melanie Wightman, a student in grade 10 at Michael Power/St. Joseph High School, cut her long beautiful hair to donate to children who need wigs as a result of cancer treatments. She also raised \$2,000.00 for Meagan's Walk.

Global National covered Melanie's haircut, and interviewed her mother and father. Melanie was featured on Global National's "Everyday Heros" on Friday, May 8th.

Melanie is the granddaughter of Dr. and Mrs. Bob Dixon. Mr. Dixon is the author of "We Remember, We Believe, A History of Toronto's Catholic Separate School Boards from 1841 to 1997" released last year.
