

CSAC Newsletter – April 2007

“Easter says you can put truth in a grave, but it won't stay there.”
Clarence W. Hall

The time has flown by so quickly and we have just celebrated the most holy day of our year, Easter Sunday. God loved us so much that he sent his only Son to die for our sins. Jesus rose from the dead and we celebrated the triumphant risen Christ, on Easter Sunday.

We hope everyone had a very happy and holy Easter.

Please remember to tell new families in our school area about our great school. If they need additional details about St. Louis, please tell them to contact the school at (416) 393-5331. Although February was Registration Month for Kindergarten Enrolment, new families can still register their children to start in September 2007. On May 23rd, there will be an all-day Open House for parents of Kindergarten students and, as well, on May 23rd, starting at 7 p.m., there will be an information session for these parents.

As there has been talk of merging the Catholic and Public school boards, the main topic of discussion at our last CSAC meeting was the future of Catholic education in Ontario. Attendees voiced their thoughts. These were documented and sent to the Institute for Catholic Education. If you are interested in adding your voice to a growing number of concerned Catholic parents, you are welcome to attend a meeting on **Tuesday, April 17th at the Catholic Education Centre** on Sheppard Avenue, regarding the future of Catholic education.

At the last CSAC meeting, we were also informed that one of our parents, Mrs. Foisy, has donated the funds to pay for a beautiful mural to be painted in our school gym. Mrs. Foisy has made this very generous donation in memory of her husband, Leonard, who passed away in February of this year. The Foisys and their family members before them, all attended St. Louis and it is in great appreciation that we accept Mrs. Foisy's very kind gesture. Please remember Leonard Foisy in your prayers.

Our Grade 8 students will be traveling to Ottawa on a school trip. They will be joined by Grade 7 students and they will be following a very exciting schedule from the time they leave the school on April 11th to the time they return on April 13th. We wish them a safe and fun time.

If you would like to receive information about certain school events and activities, please provide the school with your e-mail address. Your e-mail address will not be given out and will only be used to contact you for these particular events and activities. Newsletters and other such communication will continue to be sent home as they are today.

The next CSAC meeting is scheduled to be held at 7:00 p.m. on Thursday, April 19, 2007 in the St. Louis Catholic School Library. All are welcome.
