

CSAC News at St. Louis

for June, 2006

Since our last newsletter, there has been a lot of excitement at St. Louis. Ms. Morris learned she was to be transferred in late May, and then, this decision was reversed by the Board. Many parents voiced their concerns, and we are extremely happy to have Ms. Morris remain as Principal of St. Louis Catholic School.

There have also been a lot of CSAC-sponsored activities in which our students have participated. CSAC was able to pay for these events using monies received from fund-raising activities. At the *Earth Day Assembly*, Stephen Fenech, world traveller and photo-journalist spent a morning sharing slides and stories about Indigenous Peoples. In the *Imagination Works* Drama Workshops, Grade 6 students learned different drama techniques. CSAC also paid for buses to take students to different events.

CSAC's last fund-raising event was the Dance-A-Thon which was held on Friday, May 19th. The theme of the Dance-A-Thon was "Disco Days". This event not **only** raised funds for the school, it also provided our children with a fun activity. The students had a great time. Also, courtesy of CSAC, every student received a small gift. The three students who raise the most funds will each receive a prize and the class that raises the most funds will receive a pizza lunch.

For the 2006-2007 school year, CSAC is looking for a parent volunteer to staff a new position: Information Officer. Duties will include maintenance of the CSAC Bulletin Board – with CSAC-approved communication/items and, the writing of this Newsletter. Please contact the school if you think you might enjoy this role.

The next CSAC meeting is scheduled to be held at 7:00 p.m. on Thursday, June 15, 2006 in the St. Louis Catholic School Library. Please come out to meet the parents who are involved in making the decisions which include how fund-raising monies are spent to benefit all our children.

CSAC has recently received funds from the Director of Field Services and Manager of the Parent Engagement Office. This money is to be used by CSAC to plan and implement a strategy to involve more parents at the school level, to ensure that diverse parent voices are heard. Remember, parent voices can be heard at the monthly CSAC meeting and we are always looking for ways to increase parent involvement in school activities.

In this regard, CSAC has planned a Spaghetti Social which will be held at the school on Tuesday, June 27th. See the attached flyer for details!!!
