

Toy Mountain

Tom visits St. Boniface Catholic School

Photos posted on: www.ctv.ca

Beginning on November 25th St. Boniface began a toy drive for Toy Mountain. Spearheaded by our CSAC Chair, Mrs. Laura Marks, the staff and students exceeded our expectations by bringing in close to 175 toys. The Me To We group, led by Mr. Cerami, at St. Boniface had also organized a school dance earlier in the week and asked the students to bring in a non-perishable food item as admission into the dance. The food items were donated to the local food bank. The Me To We group prepared the gym decorating it for the arrival of Tom Brown and the CTV crew. We were looking for a different initiative and this was an overwhelming success.
