

*Office of the Director of Education*

September 8, 2009

Dear Parent/Guardian:

I am pleased to inform you that the Toronto Catholic District School Board has secured a lease extension from the Sisters of St. Joseph until June 2013 at the current St. Joseph's Morrow Park Catholic Secondary School site on Bayview Avenue. This will ensure some stability for the community while we continue discussions around possible future locations for St. Joseph's Morrow Park.

Extensive maintenance work has been done over the summer months, and work will continue as needed at the existing site to ensure a safe learning environment for our students and staff.

The Board continues to explore funding opportunities for the construction of a new facility for St. Joseph's Morrow Park, and we will keep the school community informed of our progress.

We are also committed to continued consultation with the community regarding proposed plans for a new location. Consultations will take place again this fall, with a report expected to go before the Board later this fall to outline the reasonable options available to us. We look forward to everyone's participation and involvement in these discussions. The community is also encouraged and welcome to attend that Board meeting.

I thank you for your continued support as we work towards a viable solution for all.

Sincerely,
