

## St. Paschal Baylon Community Gives to Hospital

Intermediate students from St Paschal Baylon Catholic School held a Bake Sale at the school recently. Spearheaded by the school's Student Council, Student Governor General and the Volunteer and Fundraising Ministers, the event raised \$600.00. The students, with a parent and two teachers, went

to the near by Toys "R" Us store to purchase toys for the Hospital for Sick Children.. The store manager, on hearing what the students were doing, discounted the purchases by 10% which allowed them to buy more toys. The student council and two of their teachers delivered the toys to Sick Children's Hospital on December 19th.

*Merry Christmas to all the Children at Sick Kids!*
