Dear Parents/Guardian and Students,

St. Joseph's Morrow Park will be celebrating its 50th Anniversary as a secondary school dedicated to the academic, spiritual, moral and physical education of young women in 2010.

We shall celebrate the dedication of our founding order, the successes and accomplishments of our alumnae and teachers and the potential of our present students as we prepare them for the future. Our school motto, "***The Love of Christ has Gathered us Together into One***" will continue to inspire future generations of St. Joseph's Morrow Park.

The negotiations between all key partners are approaching the completion stage regarding the future location of our school. As with any formal negotiations, we are not at liberty to disclose the details of the discussions however, we are able to assure you that the Toronto Catholic District School Board remains committed to maintain and support St. Joseph's Morrow Park as a single gender secondary school.

We look forward to celebrating the 50th with everyone and many more anniversaries following this golden one. We thank you for your understanding, patience and commitment to the St. Joseph's Morrow Park Catholic school community.

Sincerely,
