Dear Parents/Guardians,

I'd like to express my appreciation in being elected to represent you as TCDSB Ward 7 Trustee. I look forward to working together over the next three years towards a continued building of a strong Catholic community, ensuring safe schools and providing a rich educational experience for your children.

As your trustee, my responsibility is to address and inform the Board of concerns or issues related to your child's education and our community. Trustees set and define policy through the board, staff then implement and administer that policy.

In this season of Advent leading to Christmas, so comes the hustle and bustle of this annual holiday season. It's easy to get wrapped up in the stress of this most wonderful time of the year and lose sight of what is really important - and what this season is all about. Remember to keep -Christ- in Christmas.

"Advent should teach Christians to be more humble, to give more space to prayer and personal reflection, and to give of their time and energy to the most needy...." Pope John Paul II

I wish you all the joys and blessings of this Christmas season and very happy New Year

Sincerely,

John J. Del Grande
TCDSB Trustee Ward 7
