DECEMBER 2003

Thank you to everyone in Ward 4

I express my sincere appreciation to the Ward 4 community for electing me as your Catholic School Trustee for the next three years.

A long-time resident of North York, it was a privilege to have served as Trustee on the Toronto Catholic District School Board for several years up until November 2000.

My return to politics after a three-year absence was prompted by my continued commitment to Catholic education and to the students in our schools.

There is much work ahead of us, and I look forward to meeting the challenges we face in our own neighbourhoods and within our Catholic school system. I look forward to working closely with all of you—the parents, staff and students in our schools, our parish priests, the business community, all Catholic school supporters and partners—during my term.

All of us involved with Catholic education share one common goal—to ensure that our schools provide our young people with the programs, services, facilities and staff support that they need to experience spiritual, academic, physical, social and emotional success.

As a Catholic school board we must also strive to provide an education that is rooted in our Catholic faith, traditions and values.

I am here to serve the Ward 4 community. I would encourage you to contact me if you have any concerns or questions about anything affecting Catholic education in our own community, or within the Toronto Catholic District School Board.

I wish all of my constituents and their families a safe, peaceful and joyous Christmas, and extend my best wishes to you all for a healthy, happy and productive New Year.

Merry Christmas!
