Dear Parents/Guardians:

I am extremely pleased to confirm that the St. Charles Garnier Catholic School community will be receiving additional classroom space.

As a result of the capital funding provided by the Ministry of Education, the identified needs of the school community will be addressed through the building of an addition of four (4) classrooms.

At this time, I am not able to confirm when construction on this much-anticipated project will begin but I assure you that the Board has committed to moving forward with improvements to the St. Charles Garnier Catholic School community as soon as possible.

Your support is truly appreciated. Without your support, this may not have become a reality. You are to be commended for your ongoing commitment and I thank you.

I look forward to the start of construction, and more importantly, I look forward to joining you in your newly expanded facility in the future.

Sincerely,

A handwritten signature in cursive script that reads "Mary Cicogna".
