

CATHOLIC EDUCATION WEEK
MAY 6 - 11, 2012

As we prepare for the celebration of Catholic Education Week, with its theme of “Walking in the Light of Christ”, we are reminded to focus on the gift of publicly funded Catholic education, and what it is that makes Catholic education so different and so special. We are reminded of our Catholic Graduate Expectations and the caring, faith filled and responsible citizens that we inspire students to become. We are also reminded of the pillars of our newly approved Multi-Year Strategic Plan with its focus on Living our Catholic Values, Providing Stewardship of Resources and Fostering Student Achievement and Well-Being.

As a Catholic education community, we are blessed to walk, to work and to learn in the light of our Saviour Jesus Christ. We can do this by professing our faith through what we do each day—in word and in action—and by truly embracing the virtues of the month and making them part of who we are and who we want to become.

We are very grateful for the diversity of our TCDSB community, and for the involvement of our parent and our parishes in the life of our schools and the lives of our children.

We thank you for all that you do in your capacity as educators, business professionals, support staff, parents, clergy and laity to support our mission of educating students to grow in grace and knowledge and to lead lives of faith, hope and charity and to help us transform the world through witness, faith, innovation and action.

Wishing you all a very happy and enjoyable Catholic Education Week.

Sincerely,
