

Growing in Faith

Catholic Education Week May 5-10, 2013

Throughout the Toronto Catholic District School Board we are privileged to celebrate Catholic education each and every day. We see countless examples of students, staff and volunteers putting their faith into action, living our Catholic values, and celebrating who we are as a Catholic community.

Catholic Education Week provides us with an opportunity to focus our attention in a concentrated way on what defines us as faith filled learning and working communities, as we are reminded that we are always “Growing in Faith”.

This is an opportunity for us to renew our commitment to the core pillars of our multi-year strategic plan, our Catholic Graduate Expectations, our virtues of the month and social justice teachings, which are here to inspire and guide us on our spiritual journey. Each of us has an important role to play in ensuring that we continue to demonstrate our Catholic values in all that we do, and focus our efforts on student achievement and well-being.

It is an appropriate time for us to remember all those who support Catholic education: our parents, our parish leaders, our staff, our students, our volunteers and many community partners. We are thankful for their involvement in our communities and their commitment to publicly funded Catholic education.

We are grateful for the part you play in helping us to fulfill our mission of transforming the world through witness, faith, innovation and action and we look forward to hearing about the special events that you have planned in celebration.

On behalf of the Senior Team and the Trustees of the Toronto Catholic District School Board, we wish you a happy and inspiring Catholic Education Week.

Sincerely,

Ann Andrachuk
Chair of the Board

Bruce Rodrigues
Director of Education
