

Family Day Message
From the Director of Education
And Chair of the Board

Our Catholic faith traditions remind us of the importance of families, and call us to reflect on the Holy Family as a model and inspiration for us in our daily interactions within our own families. The values of love, respect, understanding, compassion and forgiveness are among the many cherished ideals that we strive to nurture within our families.

Our TCDSB family is one that we value immensely, and it is fitting for us to take this opportunity to thank all of you for the unique contribution each of you makes to the betterment of our Catholic school system.

Family Day provides us with a wonderful opportunity to take time away from the hustle and bustle of our professional lives, to block out the distractions of the world and to focus on those nearest and dearest to us.

We encourage you to take this time to catch up on the latest news, participate in a shared activity and spend some quality time together with members of your own families.

We wish all of you a safe, happy and restful Family Day weekend.

Sincerely,

Bruce Rodrigues
Director of Education
