

March Break Message from the Director of Education and Chair of the Board

As March Break draws near, we reflect on the many successes and accomplishments of students and staff throughout this school year.

Student achievement is one of the pillars of our multi-year strategic plan, and this priority is reflected across the Board in how we allocate resources. We believe that student achievement is not limited to academic accomplishments, but that our Catholic school system should also inspire students to live our Catholic values.

We are very fortunate to have a wonderful team of caring adults who are all focused on student achievement and well being. We acknowledge the continued support of our Catholic school supporters and thank each of you for your dedication to Catholic education.

On behalf of the board of Trustees and senior staff, we thank our parents, staff and partners for your immense contributions to the Toronto Catholic District School Board. Your talents touch the lives of our students on a daily basis and inspire them to grow in grace and knowledge and to lead lives of faith, hope and charity.

For those of you who are taking some time off during the March break, we wish you a restful, safe and happy time spent with family and loved ones.
