

March Break Message from the Director of Education and Chair of the Board

Spring is a time for renewal, and with those first early signs of warmer weather also comes the realization that our school year is approaching its final chapter. We hope that it has been a successful and rewarding year for all of you so far, and that the remaining weeks will bring further opportunities for growth and success.

On behalf of the Board's Trustees and our senior leadership team we commend you for your hard work and effort throughout the past few months to ensure that we continue forward along the path set before us in our Multi-Year Strategic Plan. The Board is rich with examples of how together we have been able to live up to our goals of student achievement and well-being, strengthening public confidence, stewardship of resources, excellence in governance, inspiring and motivating employees and living our Catholic values.

March Break is just around the corner. For some of our students and teachers it means an opportunity to lend a hand in a village somewhere where there is a need to build a new school, or create access to a safe water source. Many may simply take a trip south to rest and rejuvenate. The more hardy among us will try to squeeze in the last little bit of outdoor winter activity. For others the break is an opportunity to catch up on work that is difficult to accomplish when our schools are in session.

Whatever the week holds for you personally, our wish is that it will be a happy, safe and enjoyable one.

Have a wonderful March Break.

Sincerely

Bruce Rodrigues, Director of Education

Ann Andrachuk, Chair of the Board
