

March Break Message from the Director of Education and Chair of the Board

We are sure most of you are eagerly awaiting spring and the warmer weather and sunshine that we hope it will bring. After what has felt like a very long and cold winter, we are all looking forward to better days ahead.

In the cycle of the school year, we are quickly approaching the final months. We hope that all of you have had an enjoyable year to date, and that the weeks ahead will provide you with more opportunities for growth and success.

On behalf of the Board's Trustees and our senior leadership team we extend our appreciation for the work that you do throughout the year to support student achievement and well-being. We thank you for the valuable contribution that you make to the life of our students, our school communities and our Catholic school board.

Spring break is an opportunity to rejuvenate, refresh, and hopefully to spend some quality time with those who are most important to you. For those who are taking some time off during the March break, we wish you a safe, happy and restful holiday.

All the best!
