

**March Break Message from the
Director of Education and Chair of the Board**

Spring is just around the corner and signals how quickly the school year has progressed and how much has been accomplished.

It has also been a critical year filled with important discussions to help guide the Board through some challenging decisions relating to school accommodation, our Multi-Year Strategic Plan and our Multi-Year Recovery Plan and the development of a budget for next year. Though these discussions are difficult for all of us, we are truly grateful for the participation and involvement of so many of you.

We value each and every member of our TCDSB family and the unique perspective you provide. As with any family, each member relies on the support and strength of the others in challenging times and collectively rejoices in our individual successes. We are united in common goals: our Catholic faith and student achievement and well-being.

After the busyness of the school year so far, I'm sure many of you will appreciate the opportunity to rest, relax and reconnect with your loved ones. For those who are taking a much-deserved rest, we wish you a happy and enjoyable March week.

To all of you we express our appreciation for all that you do, and we wish you much success in the latter part of the school year and beyond.

Sincerely,

Angela Gauthier
Director of Education

Angela Kennedy
Chair of the Board
