

Message from the Director of Education and Chair of the Board

Administrative Professionals' Day

"I alone cannot change the world, but I can cast a stone across the waters to create many ripples."

– St. Mother Teresa

Wednesday, April 24th is Administrative Professionals' Day. We are proud to recognize and celebrate our school and department secretaries, administrative assistants and clerical staff for their contributions to the TCDSB community. These individuals are often the first point of contact for students, staff, parents and members of the community. They are integral to providing a warm and welcoming environment in our schools and offices and support to those who rely on them on a day-to-day basis.

Through their dedication to Catholic education, their enthusiasm and skills, our administrative staff members play a crucial role in supporting student success and well-being. We are blessed to have knowledgeable and talented individuals within our board who help us to transform the world through witness, faith innovation and action. Our administrative staff members also support strategies to educate students to grow in grace and knowledge, and to lead lives of faith, hope and charity.

We encourage everyone to take time to show their appreciation and gratitude for the invaluable work of these exceptional individuals who we rely on every day.

On behalf of the Trustees, Senior Team and entire Toronto Catholic District School Board family, we thank you for your dedication of service to our board and to Catholic education.

Sincerely,

Rory McGuckin
Director of Education

Maria Rizzo
Chair of the Board
