

Family Day—February 16, 2015

A Message From the Director of Education And Chair of the Board

The Toronto Catholic District School Board is proud of its heritage, founded on our partnership between home, school and church. We know that the success of our schools, our parishes and our communities depends on the commitment, involvement and strength of our families.

Family Day will be celebrated this year on February 16th. This is a wonderful opportunity for us to reflect on the blessing of families in our lives; this includes not only our parents, siblings, spouses, children and extended families, but also our families at work and our parish families.

Although the gift of family is something to be celebrated each and every day, this holiday provides us with a day to step away from our daily work routine and take advantage of the opportunity to spend some quality time with those who are closest and dearest to us. It is our hope that you will take the time to engage in some enjoyable activity with your own family, and that you will also take the time to pray for all families—particularly those who are grieving, or who are facing some challenges in their lives.

What can you do to promote world peace? Go home and love your family.—Blessed Mother Teresa

To everyone in our TCDSB family, we offer our thanks for the work that you do to support student achievement and well-being so that our students can be a positive force for social justice and faithfulness.

We wish you all a safe, happy and relaxing Family Day weekend.

Sincerely,
