

March Break Message from the Director of Education and Chair of the Board

As our thoughts turn to the arrival of spring and the hope of milder weather, we also realize that we are quickly approaching the last few months of another very busy school year. We have had the privilege of visiting many of your schools to share in the celebration of many milestones and special events. These serve to remind us of the wonderful work that goes on with our students and our staff throughout the year.

It is our foundational partnership of home, school and parish that helps the TCDSB to thrive and to flourish as we explore new opportunities and challenges. We must continue to focus on our common purpose of educating our students to their full potential in caring, Catholic learning communities.

For the role that each of you plays in student success and well-being, we thank you.

Though not all of you will have the opportunity to take time off during the March break, we wish all of you the very best. We hope that you will have the time for some rest and relaxation, even if that only means a quieter work week while our schools are closed.

We wish you an enjoyable week and continued success for the remaining months of this academic year.

Thank you,

Angela Gauthier
Director of Education

Michael Del Grande
Chair of the Board
