

School Bus Driver Appreciation Day

October 22, 2014

October 20-24, 2014 has been set aside as School Bus Safety Week and October 22nd has been designated as School Bus Driver Appreciation Day.

At the Toronto Catholic District School Board approximately 30,000 students travel to or from school on a school bus. The safety of these young travellers depends on the preparation that is provided by their parents and our schools, the care and caution of everyone on the road, and most importantly, the dedication of those who are behind the wheel of our school buses.

We are grateful for the valuable service provided to our school communities by the hundreds of school bus drivers in the City of Toronto, who provide safe transportation to and from school on a day to day basis, and who also transport our students to and from a variety of field trips and special events throughout the school year. It can be a thankless job, and a challenging one when road conditions, weather concerns, construction and traffic volumes are not at their best.

We appreciate your commitment to the safety of our children, and we thank you for the work that you do day in and day out to support safe schools and safe communities.

Angela Gauthier
Director of Education

Jo-Ann Davis
Chair of the Board
