

TCDSB CELEBRATES WORLD TEACHERS' DAY
A Tribute to TCDSB Educators

Dear Parents, Colleagues and Friends of the TCDSB Community:

World Teachers' Day will once again be celebrated world-wide on October 5th. Over 100 countries observe this occasion, which was launched by the United Nations Educational, Scientific and Cultural Organization (UNESCO).

We are proud of the role our educators play in encouraging all of our students to be empowered as leaders within our community and elsewhere. Through an informed leadership philosophy, they are cultivating Catholic values and inspiring academic success.

We thank our educators for their commitment to improving student achievement and well-being. We are closing achievement gaps for students by identifying, addressing and removing all barriers in striving to achieve Ontario Catholic School Graduate Expectations.

We extended congratulations and wishes for continued success and thank them on behalf of our entire community for their devotion to Catholic education.

Sincerely,
