

DIRECTOR'S MONTHLY REPORT

DECEMBER 2014

This December 2014 report covers the very short time period from December 1, 2014 to December 11, 2014, barely 2 business weeks.

This month's meeting is scheduled earlier than other monthly board meetings due to the Christmas season and holiday.

All of our schools are celebrating this very holy period of our faith through various social activities and through the integration of this sacred celebration of the birth of the Christ child into all curricular and co-curricular moments.

I would like to take this opportunity to wish our TCDSB family and friends a very blessed and holy Christmas.
