

CONNIE
Foster Child
Foster and
Adoptive Parent

"We have twelve children: three that I gave birth to, four we've adopted, one I have legal custody of, and four foster kids. We've learned to be there for them, no matter what. Each of my kids knows they have a home here forever. I was a foster child and I know what that means, so I'll come to the aid of Children's Aid just as they did for me."
