Safe Schools Certification Series *update*

The TCDSB Safe Schools department has designed a *Certification Series* consisting of a selection of professional development opportunities for TCDSB employees. The series is offered through a variety of modules, each consisting of 1 to 4 sessions.

All sessions will be delivered by members of the Safe Schools department, associate TCDSB staff, Toronto Police Service personnel and guest speakers.

Candidates will earn a **Safe Schools Series Certificate** once all sessions in a module have been completed.

An outline of the six certification modules and dates and times for the sessions can be found in the brochure delivered to each school or on the Safe Schools share point site.

Registration:

- to be completed on PAL located on the TCDSB web page
- limited half-day occasional teacher coverage is available on request.

Please note: The difficulties with the PAL registration pages for this series have been corrected. Please review your selections as it may be necessary to re-submit your registration.

The sessions for the certification series will be held at:
