

St. Edward Fun Fair and BBQ

St. Edward hosted their annual end of year Fun Fair and BBQ. There was a jumpy castle, obstacle course, live band, games, raffle, prizes, treats and so much more! My favourite..... watching how they made cotton candy! It was nice to see families from the community supporting this fun-filled event! Eleonora, who has been coordinating the fundraiser for 6 years, hopes to raise over \$2500. The proceeds will go towards trips, buses, library books, etc.

St. Edward Catholic School students come from a diverse linguistic, cultural and educational environment.
