

St. Gabriel School Fun Fair, BBQ, Car wash

St. Gabriel held a school fun fair for their students and local residents. The grade 8 students held their annual car wash and had plenty for cars lined up for a quick bath. The BBQ was going full tilt burgers and hot dogs were being sold faster than Ed could cook them. There were plenty of games and rides for the kids. Summer showed up early and the weather was on St. Gabriel side for this great day for the whole family.
