

DADS COUNT 2010

Fathers really do make a difference!

Come out and join us where fathers of all ages get together to discuss, teach, and learn the latest techniques when it comes to connecting with your family...

Saturday June 12, 2010

9:30 am - 3:30 pm

... take the day to hang out with the 'guys' and have some fun. You'll never know what you may be missing unless you attend.

Afterwards.... you'll be amazed at how it opens your eyes towards different ideas you never looked at, or thought of, before.
