MEGAN'S WALK HUG: Holy Name Catholic school students form a giant circle around their Danforth and Carlaw avenues area school yesterday morning in honour of Meagan's Walk. The school 'hug' was held in recognition of Meagan Bebeck, 4, who lost her battle with a cancerous brain tumour in July 2001. Holy Name Catholic School had 325 students come out for the event, and it hopes to hold the event again next year. Also, there's a Mother's Day walk in downtown Toronto, which is on May 9, to raise funds for Sick Kids researchers. To date, Meagan's Walk has raised \$1.7 million for paediatric brain tumour research. To make a donation or sign up for the walk, please visit www.meaganswalk.com.
