Walk raises \$30,000 for needy students

More than 600 students, parents and members of the Toronto community walked 5km in in the 10th annual Fun Walk May 2. The walk, hosted by the Angel Foundation for Learning, raises funds for vulnerable students in the Toronto Catholic District School Board, providing the families of impoverished students with support for emergency needs like eyeglasses, Epi-Pens, hearing aids and clothing. This year the walk raised \$30,000. *(Photo courtesy of the Toronto Catholic District School Board)*
