

## ONE-DAY IN-SERVICE

ON

## AUTISM SPECTRUM DISORDERS

*FOR TEACHERS, EDUCATIONAL ASSISTANTS, CHILD AND YOUTH WORKERS  
AND OTHER INTERESTED BOARD STAFF*

Through the Support Service for Students with Autism we are offering a one-day in-service for staff who will be starting to work with students with an Autism Spectrum Disorder. Important information about the nature of these disorders, how these students learn, and strategies for helping these students adjust to their new school environment will be discussed.

**N.B. Staff who have already attended the four day Autism Spectrum Disorders course or who have taken this one-day orientation before would not be candidates for this session.**
