

Applications are invited for the following Non Union position:

CHIEF SPEECH-LANGUAGE PATHOLOGIST
Special Services
Non Union Level 5: \$101,373 to \$121,640

QUALIFICATIONS:

- Masters Degree in Speech-Language Pathology
- Registration with the College of Audiologists & Speech Language Pathologists of Ontario (CASLPO)
- Minimum of Five (5) years of related experience, predominantly in an educational environment
- Excellent interpersonal, communication and presentation skills
- Demonstrated experience in system initiatives

MAJOR DUTIES AND RESPONSIBILITIES:

Reporting to the Superintendent of Special Services, the Chief Speech-Language Pathologist will be accountable for the effective direction and management of the Speech and Language Department within the Toronto Catholic District School Board. Major responsibilities include but are not limited to:

- Providing professional and administrative supervision of Speech and Language Department staff
- Maintaining professional, legal and ethical standards for speech and language files, reports and services
- Evaluating staff performance
- Participating in staff recruitment and hiring, in collaboration with Human Resources
- Ensuring the effective administration of the Speech and Language department by preparing the budget, selecting/ordering materials, and collecting/analyzing statistical data regarding department activities
- Developing effective speech and language programs and services
- Developing and writing reports for Board with respect to children's oral language, speech and literacy needs
- Providing administrative and program direction for the Kindergarten Language Program and its staff
- Providing expertise and leadership for programs for students with Language Impairment
- Working collaboratively with Special Education Program Coordinators and Psychology, Social Work, and Autism Department Chiefs and their staffs to enhance student success
- Liaising with TCDSB stakeholders including students, parents, staff and other key community and government partners
- Participating in system-wide board and special education initiatives
- Supporting system directions, including the TCSD Multi-Year Strategy Plan
- Other duties as assigned by Superordinate.

Interested individuals are requested to submit a current resume, along with a cover letter and the contact information for three references, referring to **Posting #NU2012-09 Chief Speech Language Pathologist, Special Services**, by **Wednesday, June 27th, 4:00 p.m.**, and should be submitted by email or hardcopy to:

Gary Poole, Superintendent of Education
Human Resources
