

INTERNATIONAL WOMEN’S DAY
Message from the Director of Education
and Chair of the Board

The Toronto Catholic District School Board approved a motion last year to proclaim March 8th each year as International Women’s Day. This global celebration, focusing on equity and social justice, reflects our own vision that equity, diversity, accessibility and inclusivity are integral to the Catholic community.

In preparation for March 8th, we encourage schools to raise awareness and plan educational experiences for students that:

- promote inclusivity with a particular focus on the worth and dignity of women
- highlight the needs and concerns of women on a local, regional, national, and global arena
- applaud women’s achievements
- highlight gender inequalities, violence and other issues facing women

We would love to hear about your plans for International Women’s day. Please share your activities, community engagement strategies and resources with the Communications Department at commdept@tcdsb.org.

Sincerely,

Bruce Rodrigues
Director of Education

Chair of the Board
