Loving Creator,

We ask for wholeness for ourselves and for all those who believe in you. Do not allow fear, ignorance or pride to limit the action of your Spirit, nor allow mere custom to prevent the divine creativity within us from bearing fruit.

We ask for the insight to understand the needs of people today, that we might grasp the complexity of situations that face us, and the absolute simplicity of human need: the poor have a right to hear the Gospel, the hungry a right to food, the oppressed a right to freedom.

Enable us all to be enthusiastic for your love, and eager to be among your people as those who serve.

This we ask through Jesus Christ who came as brother and as one who serves and saves.

Amen
