

Exploring Your Inner Self: Why the Virtue of Justice May Be For You

If you're feeling:

- Unfairly treated at work or at home
- Unfairly silenced
- Angry at the injustices perpetrated against marginalized groups of people
- Shocked to learn of the treatment of certain groups in our society
- Angry at the disrespect shown to the environment
- if you feel exploited in a friendship/relationship

Then the virtue of justice might be called for....

- Justice counters oppression
- Justice enhances equality and dignity
- Justice ensures that the underprivileged have access to opportunities
- Justice gives you a voice
- Justice creates the Kingdom of God
